

For several years now D & S Agency has been evaluating Paylocity and its growth and development of comprehensive software solutions under the mantra “the customer as the co-creator”. Founded in 1997, Paylocity now provides services and management tools to approximately 10,500 clients being served by 1600 employees. It’s 250 IT staff serve remotely so that Paylocity can continue to attract the most talented programmers and support personnel from throughout North America. Paylocity continues to be constructed by employees who left larger payroll and IT vendors who were quite frankly disappointed with the level of services provided to clients. Even with continuous enhancements to Paylocity solutions, with real time connections to client employee benefit offerings, Paylocity has also been able to deliver the most accurate and complete PPACA compliance dashboard in the industry today!

Paylocity (NASDAQ:PCTY) develops industry-leading, cloud-based payroll and human capital management software solutions for medium-sized organizations. Their comprehensive and easy-to-use solutions enable their clients to manage their workforces more effectively. Paylocity’s intuitive, highly configurable solution unifies payroll and HCM applications, such as time and labor tracking, benefits, and talent management. Their solutions help drive strategic human capital decision-making and improve employee engagement by enhancing the human resources, payroll, and finance capabilities of their clients.
